The LIPHA is one of sixteen nationwide chapters which make up the National PHA. The purpose of the PHA is to: **GIVE** aid and sustenance to needy horsemen; **PROVIDE** financial assistance for continuing education to children of professional members through a scholarship fund; and **PROMOTE** and foster interest in the horse industry, the care and protection of horses through education at local, state and federal levels. The PHA also holds a National Medal Championship each year, awarding scholarship money to the top riders.
